

Maintenance Technician

The Opportunity:

Seeking a full-time, experienced maintenance technician to join our Cabin Works team. In this role, you will be performing home inspection walk throughs and a variety of maintenance repair tasks at our clients residential and commercial properties. This opportunity has the potential of growing into a leadership position for the right candidate.

Some Highlights:

- Be the hero - deliver peace of mind to our clients by helping to keep their properties safe and well maintained through effective communication and follow through.
- Have balance - work-life balance and quality time away from work is a big deal at Cabin Works. We even provide you access to ski, golf and rec passes and you begin accruing vacation time on day #1 so you can enjoy your time away.
- Challenge yourself and stay interested - though we have recurring tasks that help maintain a solid schedule, we also have a variety of different jobs that come up each week so you can put your problem solving skills to work while constantly learning and growing.
- Be appreciated - be recognized for a job well done through team recognition, bonuses, fun company events and more awesome benefits!

About our Company:

We are a family business founded in 2010 with the mission to ***minimize the hassle of property ownership by delivering peace of mind through reliable services, consistent communication, and a company culture of integrity.*** We get excited with a job well done and especially excited when our clients reach out with kudos! We love that our clients feel confident in our services and our Cabin Works team. We love transparent communication and working together to deliver quality service to our clients.

We enjoy providing family activities for our team members throughout the year to continue building our community and show our appreciation for your hard work. We also love giving back to our community through donations and volunteering.

We are an equal opportunity employer.

Who We Hire:

We are building a team of professional, competent and friendly people whose goal is to be of value to our clientele and continue growing our company successfully. We hire grown-ups and we will treat you like one. You will be expected to take responsibility for yourself and be a consistent contributor to your team. We are transparent and honest with you; and expect the same in return.

We would love to meet you if you:

- Have a positive attitude and enjoy working with others
- Are detail oriented, organized and can apply critical thinking skills
- Have a willingness to learn and grow
- Have strong technical skills and knowledge and have experience in property maintenance
- Are aligned with our Core Values: ***1) People matter more than anything, 2) Take Ownership, 3) Do What's Right, 4) Thrive Together.*** Please review these core values and

Maintenance Technician

what they mean to us on our team page before applying:

<https://cabinworkscolorado.com/employment/>. Our company mission and core values are the basis for all decisions we make here and how we work together. It's important you are aligned with these before applying for any opportunity in order to be successful and happy here at Cabin Works!

Job Details:

- Perform variety of maintenance repair tasks for residential and commercial clients, including primarily:
 - Recurring house check/inspections to document current state of property and look for potential maintenance issues
 - Light plumbing (toilet repair, faucet installation, clogs, leaks, garbage disposals)
 - Basic electrical troubleshooting and repair (light fixtures, outlet replacement, resetting breakers, replacing smoke detectors)
 - Appliance troubleshooting and repair/replacement
 - Basic carpentry
 - Window, door and lock repair and replacement
 - Maintenance cleanup including trash pickup
 - Pest control
 - Drywall repair and interior painting
 - Repair miscellaneous items (chairs, gates, caulk application, flooring, etc)
- Continually build and develop technical skills for various types of service work. Ongoing training opportunities provided (we utilize coursework through a National Home Inspector program)
- Attend weekly team meetings in person and virtually (with cell phone or computer) to discuss jobs with the team and receive new work order assignments.
- Implement onsite problem solving skills to complete work orders
- Report daily detailed tracking of time, including job notes and pictures

Pay and Benefits:

- Pay \$23-\$35 per hour depending on experience and with room for advancement. Starting pay rate determined after the interview process and evaluated with raise potential at the first performance review at 90 days.
- This is a full-time, year round position at 30-40 hours per week, typically Monday-Friday 8am-4:30pm with weekend and after hours availability on rotation with other technicians. Schedule can be flexible with communication.
- Access to 2 passes for you and a friend or family member to enjoy free skiing, free golf, local recreation centers, and more throughout the year.
- PTO accrued on day #1
- Relocation stipend of \$200 (if relocating from out of state) in 2nd paycheck
- Signing bonus of \$200 after 80 hours and 1 month of employment
- Retention bonus of \$250 after 500 hours and 6 months of employment
- Employee referral bonus - \$100 for every new employee that you refer that is hired and works 80 hours.
- 401k retirement plan with up to a 2% match after 1000 hours and 1 year of employment
- Super fun, family-friendly events like BBQ's, annual Colorado Rockies game, summer tubing at the YMCA, and much more!

Maintenance Technician

- Company vehicle provided to/from job sites if 21 years or older and clean driving record (or vehicle fuel reimbursement program available if utilizing personal vehicle)
- Access to training through National Home Inspector coursework and in the field.

Job Requirements:

- Alignment with Cabin Works' core values. Please review our core values and learn more about us on our team page here: <https://cabinworkscolorado.com/employment/> before applying.
